Abstract:--Medical Board - Commutation - Medical examination by a Board of Government servants under the control of the Governor General in Council residing at Bangalore - to appear at Madras for examination - Instructions - Issued.

The Government approve the suggestion of the Surgeon General that a Government servant under the administrative control of the Governor General-in-Council who resides at Bangalore and who has to appear before a medical board as required under Regulation 7 of the Regulations governing the procedure for the commutation of pensions should appear before a medical board constituted at Madras for purposes of medical examination.

- - - - -

Subject:--Composition of Medical Board at Bangalore.

- - - -

I have the honour to state that under Regulations, Medical Boards should be composed of officers of the rank of Civil Surgeons, for the examination of candidates applying for Commutation of Pension or of gazetted officers applying for leave. Cases of commutation of pension, of officers of the Central Government residing at Bangalore, which are sent to this office are now forwarded by this office to the Residency Surgeon, Bangalore, for examination by a Medical Board. The Medical Board which meets at Bangalore for the above purposes is composed of one I.M.S. Officer and two

Assistant

Assistant Surgeons of the I.M.D.* i.e. the Residency Surgeon and his two Assistants. It cannot be said to be properly constituted for purposes of examination of candidates for commutation of pension etc. It appears therefore that the examination of officers cannot be made at Bangalore and that applicants who desire to be examined at Bangalore should be asked to appear before the Medical Board at Madras. The orders of Government in the matter are requested.

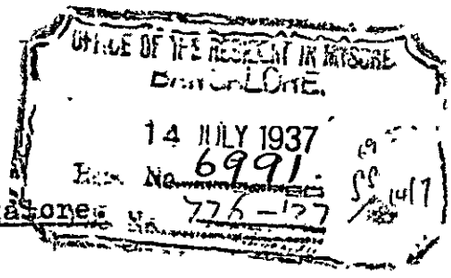
Dated 14th July 1937.



To

The Secretary to the Hon'ble the
Resident in Mysore, Bangalore.

Sir,

With reference to your commutation sanction accorded in your No. —— dated 28th October 1936, I appeared before the medical officer, Residency Surgeon, Bangalore for medical examination and I was examined and passed on 28th May 1937. No orders have yet been received from the Accountant-General, Madras authorising payment and I am put to a lot of inconvenience pending receipt of the commutation money.

S.N. 20
C.F. 31 (D)

I understand that the validity of the Board is being challenged by the Accountant-General, Madras. But I with respectfully beg to submit that this Board has been examining a number of pensioners and payment authorised. Another pensioner by name Mr. V.E. Godfrey, P.P.O.No.763/Central was examined on 24th June 1937 by the same board and payment was authorised by the Accountant-General, Madras and the pensioner drew the commuted value on 5th July 1937. The delay in my case alone is causing great inconvenience and I request that in the circumstances payment may be arranged for me also as in the case of Mr. Godfrey.

I am a pensioner of the Government of India under the Control of the Hon'ble the Resident in Mysore, Bangalore and the Chief Administrative Medical Officer responsible for the medical examination for all such Central pensioners is the Residency - Surgeon, Bangalore and the Civil Pension Commutation Rules -- recognises the officer as the officer competent to form a Board. Under the circumstances I am perplexed at the delay of the Accountant-General.

P.T.O.

Pending decision of the question, I request that payment may be made where an examination has taken place and report of the medical officer received.

Thanking you in anticipation.

I beg to remain,

Sir,

Your most obedient servant,

S. Sreenivasa Iyengar

Copy to the Accountant-General, Madras, with a request to kindly arrange for payment immediately, as I am seriously inconvenienced. In this connection, I wish to refer to the case of Mr. V.E.
